

residential address stated in the application for admission meets this definition before the child is admitted.

Applications received by the Local Authority after the closing date for applications stated above will be late applications, and will not be considered until after applications received on or before the closing date for applications have been considered and places allocated. This means that the chance of achieving a place will be reduced. The names of those children who do not achieve a place will be placed on the waiting list (see below).

Applications for in-year admissions should be made to the school. If more applications are received than there are places available, applications will be ranked by the admissions authority in accordance with the admissions over subscription criteria as outlined above.

Parents may request that their child is admitted outside their

notification that their application was unsuccessful to lodge an appeal.

Parents should note that an offer of a place is likely to be withdrawn if it is found that it was made on the basis of fraudulent or intentionally misleading information provided by parents.

An admission authority must not withdraw an offer unless it has been offered in error, a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Please refer to paragraph 2.12 and 2.13 of the Admissions Code for further detail.

Furthermore, in order to address the potential issue of offers being obtained through fraudulent or intentionally misleading applications, the School reserves the right to ask for additional information to check the veracity of the address and other information provided in the application.
