

## **RELATIONSHIPS AND SEX**

# RELATIONSHIPS AND SEX EDUCATION POLICY

Introduction

Policy development

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive

Staff teaching RSE: (Schools must include names/roles of those responsible for teaching RSE

in the

### Confidentiality

Teachers cannot offer or guarantee pupils unconditional confidentiality.

Teachers should follow school set procedures, if a child under the age of 16 is having, or contemplating having, sex

If sexual abuse is suspected, teachers should follow the school's child protection procedures

Health professionals are bound by their professional codes of conduct in a one to-one situation with individual pupils, but in a classroom situation they should follow school's policy.

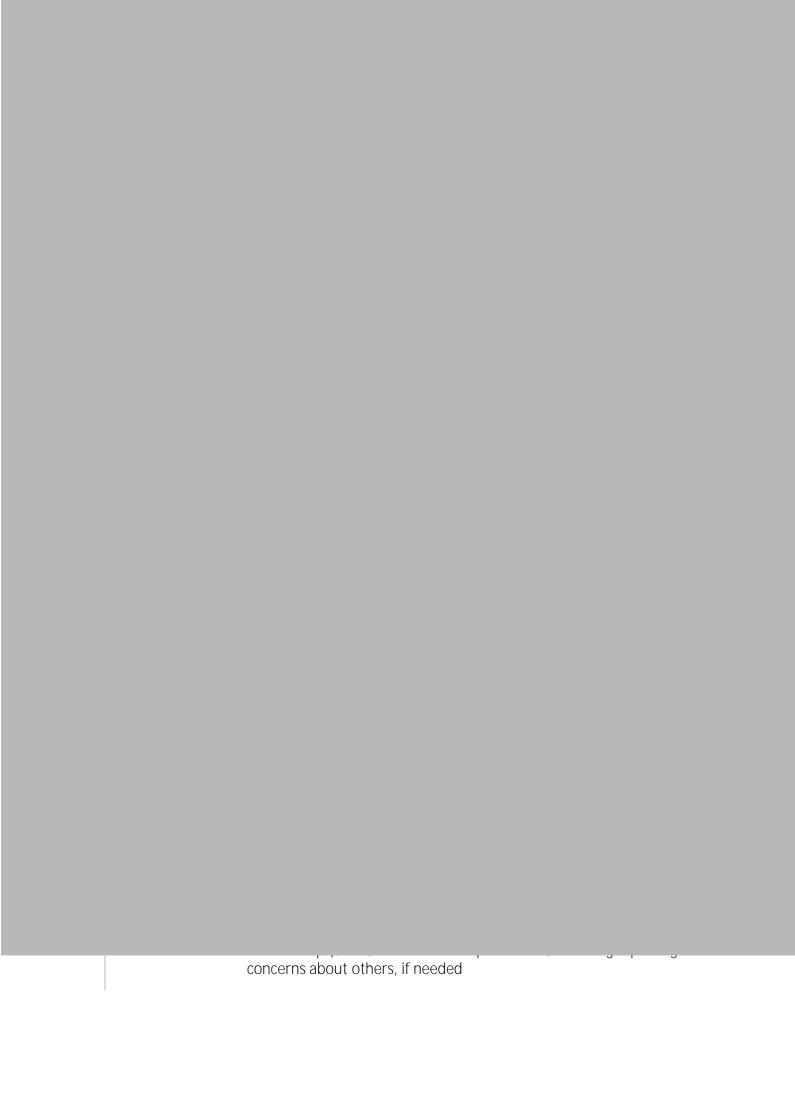

### Appendix 1 Example of Relationships and sex education curriculum map

Primary schools: Appendix 2: By the end of primary school pupils should know

TOPIC	PUPILS SHOULD KNOW
Families and people who care about	That families are important for children growing up
me	

TOPIC	PUPILS SHOULD KNOW
Respectful relationships	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs Practical steps they can take in a range of different contexts to improve or support respectful relationships The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help What a stereotype is, and how stereotypes can be unfair, negative or destructive The importance of permission-seeking and giving in relationships with friends, peers and adults
Online relationships	That people sometimes behave differently online, including by pretending to be someone they are not That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met How information and data is shared and used online

TOPIC	PUPILS SHOULD KNOW
Online and media	Their rights, responsibilities and opportunities online, including that the same expectations of behaviour apply in all contexts, including online  About online risks, including that any material someone provides to another has the potential to be shared online and the difficulty of removing potentially compromising material placed online  Not to provide material to others that they would not want shared further and not to share personal material which is sent to them  What to do and where to get support to report material or manage issues online  The impact of viewing harmful content  That specifically sexually explicit material e.g. pornography presents a distorted picture of sexual behaviours, can damage the way people see themselves in relation to others and negatively affect how they behave towards sexual partners  That sharing and viewing indecent images of children (including those created by children) is a criminal offence which carries severe penalties including jail  How information and data is generated, collected, shared and used online
Being safe	The concepts of, and laws relating to, sexual consent, sexual exploitation, abuse, grooming, coercion, harassment, rape, domestic abuse, forced marriage, honour-based violence and FGM, and how these can affect current a39.41 reW* nBT/F3 12 Tf6 0 g0 G(a
